*Organized to further develop the warm fellowship, interests,  
and skills of woodcarvers and whittlers*

## Welcome

We are pleased to extend an invitation to join the local chapter of the National Wood Carvers Association.

As shown in our letterhead we are organized for the mutual benefit of all persons interested in the craft of woodcarving. It is our purpose to serve the beginner as well as the advanced woodcarver.

Our meetings are held at the Churchville Nature Center on the fourth Thursday of the month at 7:30 P.M. For your convenience we have provided the attached map directing you to our meeting place.

As a member you will enjoy many benefits such as free use of our comprehensive library of carving related books, the video library and cast carving aids, carving instruction, workshops, carving exhibition information, tours, and last but certainly the most valuable, you will receive "Chips and Quips" each month. This letter supplies you with a wide range of facts pertaining to woodcarving, notices of events, sources of material, wood, tools books, other publications, and contact with other carvers throughout the country.

Our dues structure is quite simple. The initial fee is \$25.00. The yearly renewal fee is then only \$20.00 payable November through December of each year. There are no monthly dues.

You need not be a member of the National Woodcarvers Association to share fellowship with us, however, we believe you will find it beneficial to belong after attending several meetings. NWCA will bring you a copy of their magazine, "Chip Chats" every two months.

We sincerely look forward to having you join us and become better acquainted as we enjoy fellowship together in the craft of woodcarving.

If you would like more information, write to the address on our letterhead. We will get back to you as soon as possible.
